## I got my information from a young man who has been for some time a brakeman on a suburban passenger train of the Northwestern railway. He is a very efficient and popular man, and when he told me he meant to resign I asked him what the reason could be. "Welll," he said, "I have been told by the superintendent that I stand no chance of promotion, as I didn't begin right. I was fool enough to think that if I took this place and behaved myself I would one day be the conductor of the train.
